MEDICINAL.

COAL

Does not warm except through combustion. Food does not nourish except through digestion. You may as well hug a coal pile to get warm as expect to get nourishment out of food which you cannot digest.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and organs of digestion and nutrition. It enables the body to assimilate food and so put on sound flesh and develop strong muscle.

"The praise I would like to give your 'Golden Medical Discovery' I cannot utter in words or deeds with pen," writes James B. Ambrose, Esq., of 1244 M Street, Huntington, Pa. "I was taken down with what our physicians said was indigestion. I doctored with the best around here and found no relief. I wrote you and sent you a question blank to fill out and I received your letter and advised me to use Dr. Pierce's Golden Medical Discovery. I took three bottles and I felt so good that I stopped—being as I think, cured. I have no symptoms of gastric trouble or indigestion now."

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay cost of mailing only. Send 21 one-cent stamps for paper or 31 stamps for cloth binding, to Dr. R. V. Pierce, Buffalo, N. Y.

REPUBLICAN PLATFORM.
As was stated, the republican State convention at Roanoke adjourned yesterday after adopting a platform.

Among the planks are the following: "We declare our confidence in the virtue, intelligence and patriotism of the people, and our willingness to trust to them the decision of all political issues and election of all civil officers. We denounce all attempts to discriminate in favor or against citizens of Virginia on account of race or color, because of violation of the constitution of the United States, which we respect and obey as the supreme law of the land."

"We protest against the proposition to alter the right of suffrage on unworthy persons on account of the merits or the achievements of their ancestors as tending to create a privileged class and discrimination against others equally worthy. We favor the right of suffrage being left as fixed by the present constitution of Virginia, with such laws and guarantees as will secure to every qualified voter a free ballot and a fair count."

"We deny the claim made by the democratic party in its last platform that they are entitled to the credit of having 'satisfactorily settled the State debt.' It is a fact too well known to be disputed that the State debt was settled by the readjuster party, in spite of the bitter opposition of leading democrats."

"We also declare our unalterable opposition to criminal trusts and to every illegal combination of capital; but we wage no war on combinations of capital for legitimate purposes, and we arrange the democratic party of Virginia, which has had absolute control of every branch of the State government for fifteen years, for its failure to enact any law or to take any steps to control, prevent or punish such criminal trusts and illegal combinations of capital."

"We enter our earnest protest against the scheme to promulgate the new constitution without submitting it to the people, or of submitting it to an abridged electorate as being illegal and in violation of the solemn pledges made to the people of Virginia by the democratic convention, which met in Norfolk, and by the Legislature in the law assembling the constitutional convention."

"We earnestly demand liberal State pensions for our disabled Confederate soldiers and their widows, who have been so cruelly neglected and so grossly deceived by the democratic party, which has pretended to care for them by voting piggyback pensions and then appropriating only money enough to pay them an average of about \$3 per capita per annum."

ITALIAN KILLED.—An Italian named Giogotti was killed near Ashdown, twenty miles north of Texarkana, Tex., Wednesday, and the killing is likely to develop into an international affair. For some time the Kansas City Southern Railway has had a large force of Italian laborers at work on its line near Ashdown. The foreman sent several Italians with a band of up the Kansas City Southern track after some material. Through alleged ignorance the crew got their car over on the track of another company. A section foreman took the car from the Italians, locked the wheels, and left them to return to their camp. Officials gave an explanation, and four Italians were sent after the car. When they arrived where the car was, a fight ensued between them and the American crew. One Italian was knocked down with a club by an American. The Italian drew a knife and stabbed his assailant. Then they fled to their camps. Subsequently an Italian forman was attacked and badly beaten. Later a crowd of armed men, between fifty and sixty, went to the camp and ordered the Italians from the cars, telling them to "line up."

It was then that some one fired a Winchester killing Giogotti instantly. The dead man had nothing to do with the fight, and the Italians are greatly incensed. The Italian Ambassador at Washington and the Italian government have been notified, and further developments are expected.

Dr. Bull's Baby Syrup for teething babies. Full-size bottle, 10 cents. Cures Wind Colic, Diarrhoea, Loss of Sleep, Griping Pains, Sour Stomach, Fever, Cholera Infantum. Dr. Bull's Baby Syrup also promotes the digestion and soothes the baby. Sold by Richard Gibson and all druggists.

To accommodate those who are partial to the use of atomizers in applying liquids into the nasal passages for catarrhal troubles, the proprietors prepare Ely's Liquid Cream Balm. Price including the spraying tube is 75 cents. Druggists or by mail. The liquid embodies the medicinal properties of the solid preparation. Cream Balm is quickly absorbed by the membrane and does not dry up the secretions but changes them to a natural and healthy character. Ely Brothers, 56 Warren st., N. Y.

Don't be satisfied with temporary relief from indigestion, Kodol Dyspepsia Cure permanently and completely removes this complaint. It relieves permanently because it allows the tired stomach perfect rest. Dieting won't rest the stomach. Nature receives supplies from the food we eat. The sensible way to help the stomach is to use Kodol Dyspepsia Cure, which digests what you eat and can't help but do you good. For sale by E. & L. Leachester & Sons.
